

Bike to Work Program

CBBEL's multi-award-winning Bike to Work Program works to make it as easy as possible for every employee to commute by bike, including paying employees \$1 for every mile commuted.

Founded in 2006 to promote bicycling for the environment, fun, fitness and transportation, CBBEL's multi-award-winning Bike to Work Program works to make it as easy as possible for every employee to commute by bike.

Our Rosemont headquarters has on-site shower and changing facilities, as well as fleet bikes for those taking public transit. We provide assistance on routes and gear and hold annual competitions and quarterly giveaways to keep motivation high.

Best of all: Employees earn \$1 for every mile commuted by bike.
